Introduction

Every person has a right to live a life free from the fear of violence, abuse, harm, neglect and exploitation regardless of their gender, age, disability, background or any other characteristic. We are committed to ensuring the safety and wellbeing of all participants we provide supports and services to.

Any alleged, suspected or act of abuse, neglect or exploitation is a reportable incident. It must be reported to the NDIS Commission, police and any other relevant authority (see: Report incident to NDIS).

It is our organisation's responsibility to respond to reportable incidents immediately (see: Incident management policy), and a notification process will be undertaken with the NDIS Commission and relevant stakeholders.

Documentation of all incidents will be recorded on an internal incident report and logged onto an internal incident register.

Records of incidents will be kept for a minimum of 7 years from date of incident.
